**Altrincham United Reformed
Church**, is on two sites. We are
using the Trinity Hale site. The
building is on the corner of Ashley
Road and Cecil Road, Hale. Postcode
WA15 9NT. There is some parking
at the venue, and more in a
premises over the road which will
not be used in the evening, if you
are coming for the concert,
otherwise it is street parking in the
area.

The church has been recently
restructured and refurbished with
a worship area as well as space for
socialising. It was one of the
venues when Friends of Sabeel NW
hosted the Christian Aid Gaza Art
Exhibition "Through Young Eyes" by
the young people of the Culture and
Free Thought Association in Khan
Younis, Gaza, during the summer.

This is a very special worship space
and will be an excellent venue for
this Concert and the Reflection
Day.

**Come and join us!

in association with Amos Trust.
**at 7.30pm on Wednesday
23rd November**
**at Altrincham United

=====
Garth will also speak at the
**Friends of Sabeel UK, NW Group
Advent Reflection Day**
on Thursday 24th 10-3.30pm,

The Concert

This will begin at 7.30pm and there will be an interval of 20-30 minutes when refreshments will be served.

Garth will be accompanied by guest speaker **Chris Rose, Director of Amos Trust.**

Garth will concentrate on the circumstances of the Christian community in Palestine and Israel itself, and the message of hope that the Christian gospel brings particularly during this Advent season.

Please remember to bring plenty of money(!) with you, as copies of Garth's books and DVDs will be for sale, as well as other Amos Trust literature. There will also be a stall of Palestinian crafts (olive wood carving, needlework, glass and ceramics) and Zaytoun products (Palestinian Fairtrade olive oil and foods) - an excellent opportunity to buy Christmas gifts.

Advent Reflection Day
