Churches Taking Action for Palestine

St Nicolas Church, Sutcliffe Ave, Earley, RG6 7JN

Sunday 15th January 2017 from 12.30-3.00pm

Programme includes:

- A chance to hear from Charlotte Marshall, Advocacy Worker for Kairos Britain
- Delicious Palestinian snacks
- Music
- A showing of the short film 'Britain in Palestine' about the British role in creating the state of Israel
- Information from Amos Trust, a small human rights charity working in Palestine and other places
- An opportunity to buy Zaytoun olive oil products from Palestine

Kairos was a call from the leaders of the Palestinian churches in 2009 for British Christians to stand in solidarity with their Palestinian brothers and sisters. Let's explore how we can "make ourselves more aware of the present situation in Israel and Palestine, reflect prayerfully on it, and respond faithfully and courageously."
