Sabeel in Jerusalem

Sabeel is an ecumenical grassroots liberation theology movement among Palestinian Christians. Inspired by the life and teaching of Jesus Christ, this liberation theology seeks to deepen the faith of Palestinian Christians, to promote unity among them and lead them to act for justice and peace.

Kairos Palestine

A Christian Palestinian movement, born out of the Kairos Document, *A Moment of Truth (2009)*, which advocates for ending the Israeli occupation and achieving a just solution to the conflict through a global movement of non-violent resistance.

The Kairos Document is the word of Christian Palestinians to the world about what is happening in Palestine.

‘Our word is a cry of hope, with love, prayer and faith in God. We address it first of all to ourselves and then to all the churches and Chris-

tians in the world, asking them to stand against injustice and apartheid, urging them to work for a just peace.’

‘And you shall know the truth and the truth will make you free’

(John 8:32)
