## Investing in young people

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity

1 Timothy 4:12

The World Council of Churches invites member churches, faith-based communities, and civil society organizations around the world to join together for a week of prayer for just peace for all in Palestine and Israel.

Congregations and individuals around the globe who share the hope of justice shall unite during the week to take peaceful actions, together, to create a common international public witness.
